Manufacturer's Represented

Pentair-Penberthy

****Armored Style Liquid Level Gages (Reflex & Transparent)***

(RL/TL) Low Pressure, (RM/TM) Medium Pressure
(RH/TH) High Pressure, (TU) Ultra High Pressure
(RLC/TLC) Large Chamber

Accessories

Illuminators, Frost Proof Extensions, Blankets, Jacketed, etc.

****Tubular Style Liquid Level Gages***

Valves-Cast Iron, Bronze, Carbon Steel, 316S/S, PVC
Glass-High Pressure, Redline, Heavy Wall, Heavy Wall Redline,
and Acrylic & Polycarbonate Plastic Tube
Guards-Rods, Refractive protector, Wire Glass, 2 pc. Polycarbonate

Magnetic Style Liquid Level Gages

Side, end or top mounted; 150lb.-900lb. ANSI rated
Standard Style or "Mini-Mag" (Small diameter chamber)
Threaded or flanged connections

Accessories

Transmitters (Reed of Magnetostrictive), Switches (Electric or Pneumatic)

****Sight Flow Indicators & Sight Windows***

Full ANSI rated 150-600lb. & 3000lb. nominal rated
Threaded & Flanged
Carbon steel, 316s/s, Bronze, Monel & other exotic materials.
Indication type: Plain, Flapper, Rotator, Gaseous flapper, Drip & Ball.
Dual Window, Lined & 90 Deg. Units available
Bull's eye to large diameter sight windows.

****Eductors, Tank Mixers, In-Line/In-Tank Heaters***

Mix, Heat, Pump, Evacuate. "No moving parts"
Cast Iron, Carbon Steel, 316s/s, Bronze, PVC & other exotics.

Threaded and Flanged.

(Tyco/Yarway)Boiler Trim Products-Up to 3000psig Steam

Boiler Gage Glasses & Valves

Accessories

Remote Liquid level Indicators

Water Columns & Switches

Manufactured per ASME Sec.1 Boiler codes.

**Replacement probes, Glass/Mica kits available for
Most manufacturers.*

Cash-Acme

Industrial-Heating & Plumbing valves & Controls

*Pressure Regulating valves

*Temperature/Pressure Relief valves

Thermostatic Mixing valves

Backflow preventers

Expansion Tanks

Brass Ball valves

Washing Machine Shut off valves

Control valves

Air Purgers, Vents & Separators

SharkBite® Push-Fit Fittings

Pentair-Cash Valve

*Pressure & Temperature Regulating valves

Cryogenic valves & Controls

Back Pressure valves

Vacuum valves

Misc. Control valves

Chem Oil Products

Gate, Globe & Check Valves

Ball Valves

Butterfly valves

Needle valves

Manifold valves

Instrument valves

Tube Fittings

Orifice Plates

Pressure Gauges / Thermometers

Piping Accessories (Nipples, Fittings, Hammer

Unions, etc.)

***Dwyer Instruments**

Pressure, Vacuum, Differential Instruments

Flow, Air Velocity, Level, Temperature Instruments
Valves

Data Acquisition/Recorders

Humidity

Test Equipment & Accessories

Complimentary Lines include: Mercoid

W.E. Anderson

Love Controls

Proximity

ENFM

**Highest Quality since 1906*

Pressure/Vacuum Gauges / Thermometers

(For the Process, Industrial, Marine, Boiler & Mining industry)

Tridicators

Diaphragm seals / Mini Diaphragm seals

Needle valves

Thermowells

Granzow

Solenoid Valves

Brass/316ss Bodies

**General Purpose/Steam

2-way: 1/8" to 2"

3-way: 1/8" to 1/4"

Delrin Bodies

2-way: 1/4" to 1 1/2"

Gilco (Pentair-Penberthy)

*Gilco Boiler level indication Replacement Parts
Bi-Color / Probe style indication

Quest-Tec

Armored Style Liquid Level Gages**
Armored Flow Indicators**
** (PFA lined available)

Kenco Engineering

*Liquid Level Gages
Pump Setting Gages
Drawdown Cylinders
Calibration Pots
Drum Gages
Oil Level Controllers
Oil Level Switches

L.J. Star

*Sight Flow Indicators (Thrd., Flgd. & Full View)
Sanitary Sight Flow Indicators
Sight Windows
*Metaglas®
Weld Pad Gages (Rectangular & Obround)
Sightglass lights (Lumiglas®)
Accessories: Sightglass wipers, Spray unit & rings.

Moeller Instruments

Mil-Spec Pressure Gauges & Thermometers
(For the Marine industry)
Marine Clinometers (Dial or Tube Styles)
*Award Winner-Industrial Glass Thermometers
General Use Thermometers
Small Case Thermometers
Pressure Gauges

Miller & Weber

*Spirit Filled Glass Thermometers
Precision Certified Thermometers
ASTM Thermometers
SAMA General Purpose Laboratory Thermometers
Pocket & Specialty Thermometers

Mueller

Wye Strainers
Basket Strainers-Simplex, Duplex
Fabricated Strainers
Temporary Strainers
Suction Diffuser
Check valves

OPW Engineered Systems

*Visi-Flow: Sight Flow Indicators / Sight Windows
Swivel Joints
Dry & Quick Disconnects
Loading Systems

Nicholson Uniflex

*Gasketed Pipe Unions (Uniflex)
Forged Carbon Steel or 316s/s
Threaded & Socket Weld, ½"-2"
304s/s Spiral Wound Gasket with Flexicarb filler
Other fillers available upon request
316s/s Retainer

Superior Products

Orifice Flanges, Meter Runs
Dual Chamber Orifice fitting
Ring type Joint Orifice Plate Holders
*Restriction Orifice unions
ASME Flow nozzles, Venturi Tubes
Flow Nozzle Meter runs, Honed Flow tubes, etc.

NOV-Mission

*Magnum Hand Valves
Needle & Manifold Valves
Standard, Angle, Extended Bodies
with Bleeds & By-Pass Ports if needed.
Carbon Steel, 316s/s & other materials available.

Tel-Tru Thermometers

*World Class Thermometers
Bimetal(Industrial, Food service, surface)
Gas Activated, Vapor Tension, Glass Industrial,
Digital & Non-Contact.
Accessories
Thermowells & Special Fittings, Dials, Lens, etc.
Pressure Gauges (1 ½"-6" Dials)
Vacuum, Pressure & Compound
Accessories
Diaphragm seals, snubbers & etc.

Mako Products

*Superlok i-Fitting (Tube Fittings)
*Needle valves-Compression valves-Ball valves
Mini-Angle-Multiport-Block & Bleed-Standard-
Inline Check valves
Materials: Carbon Steel & 316S/S

* Denotes: Stock in Baton Rouge
